

Parents Stock the Lounge for Teacher Appreciation Week!

Let's stock up the Teachers' Lounge to show our appreciation for all they do for our children! At the request of the PTA, the teachers have given us a wish list. Please bring anything from this list (in any amount) for them, and if you wish, you may attach your child's name and grade to the treats you bring in. Please drop it off at the front office during Teacher Appreciation Week.

Thank you for making our teachers feel so appreciated!
