

TURTLE ROCK INSTRUMENTAL SPRING CONCERT

May 22, 2018

Dear Parents and Students,

You are invited to the Turtle Rock Instrumental Spring Concert! Our musicians have been working hard to perform for family, friends and peers. Please join us for this exciting music event!

The concert will take place on **Tuesday, May 22nd at Bethel Korean Church at 7:30 pm**. Performing groups will include the 4th Grade Beginning String Orchestra, 5th & 6th Grade Band, and 5th & 6th Grade Orchestra.

Finding a performance space to accommodate a concert of this size is a challenge every year. Bethel Korean Church has a beautiful performance space to feature students and provide seating for all families. However, there is a cost in renting the facility. We request each family contribute to the rental cost of the night of the concert by making a \$5 donation per family at the door. If you are unable to pay \$5, please contribute what you can. No student will be prevented from participating because of a lack of funds.

The concert will be *less* than one hour in length. We ask all families stay for the entirety of the performance and support the hard-working students of all grade levels and performing groups. Thank you in advance for your help in making all children feel the benefits of a large, enthusiastic audience!
