No experience necessary! *(Due to limited available facilities, the tournament is not open to 3 and 4 grade students and there are NO stand-alone 5 grade teams)*

Each team needs a minimum of 8 players and a maximum of 10. Each player is guaranteed one quarter of playing time per game.

WE NEED YOUR HELP - VOLUNTEER COACHES AND COORDINATORS WANTED!

If you are interested in coaching or being a coordinator, please note this when you register your child, or email info@irvineyouthsports.org. Each team **MUST** have a volunteer coach to register as a team.

REGISTRATION

Registration is open through February 21 here: www.irvineyouthsports.org/basketball

Cost: The cost to play in the tournament is \$25. ***Fee only applies if your student is on the final team.*** Once the team is formed, parents will pay the registration fee directly to the coach who will then register the final team and pay through the league website.

TRYOUTS AND TEAMS

Tryouts **MUST** be held February 22-23 (unless fewer than 10 players register to make a team, then no tryouts are necessary). Teams must be formed by grade and school. Coached will announce a tryout date and time to all registrants via email. Final teams must be selected by March 2 and registered online.

If there are enough players to form a second team at the same grade level, then teams should be balanced in skill levels and second team must have a different coach.
