How are YOU Measuring Y(our) Year?"

This year's theme is "Measure Your Year" Be Creative! Everyone is experiencing this school year in a different way. How are you defining or measuring your year? Is it minutes, activities, assignments, friends, etc? Tell your story of this crazy year with a picture. However, YOU view life at school or virtually. How are you "measuring your year!"

Don't forget to label the back of your entry with your name, your teacher's name, and your grade. Any questions? Email: Jenna Lang at trocke.yearbook@gmail.com

Tips for a good entry:

- ❖ Not a lot of white space—lots of color (including the background)
- ❖ Mix up your medium—you may use a computer drawing program, colored pencils, watercolors, crayons, chalk, markers, photos taken by the student only, and combine them together, etc.
- ❖ Use up the whole sheet of paper (the bigger the better)
- ❖ Neatness does count
- ❖ Must be the sole work of the student (parents should not do the work for the students)
